

Last Updated: 11.07.2019

Product Code: AE08022

SYNMAX FUSION-V 5w30 is a premium quality, full synthetic mid SAPS (Sulphated Ash, Phosphorus and Sulphur) engine oil suitable for use with the latest technology in both petrol and diesel engines.

APPLICATION

Designed for use in passenger cars and light commercial vehicles with both petrol and diesel engines, including turbocharged versions, where a 5w30 lubricant of ACEA C3 quality is required.

Especially recommended for modern **VW Group** vehicles, as well as models from other marques including **Porsche, Mercedes-Benz, Hyundai, KIA, Honda** and **Suzuki**, and also meets the exacting demands and requirements of the latest **BMW LL-04** specification. Suitable for use in vehicles fitted with Diesel Particulate Filters and Three Way Catalysers.

Note: Not suitable for pre-2006 Touareg R5 and V10 TDi models - please refer to vehicle handbook to confirm specific vehicle oil requirement.

BENEFITS

- Excellent thermal stability
- Provides critical protection during cold starts
- Mid SAPS (Sulphated Ash, Phosphorus and Sulphur) technology to protect DPF and TWC systems
- Improved fuel economy characteristics
- Stay-in-grade properties ensure low levels of volatility at high running temperatures

PERFORMANCE PROFILE

Suitable for use where the following specifications are required;

- **ACEA C3**
- **API SN/CF**
- **VW 504.00 / 507.00**
- **PORSCHE C30**
- **MERCEDES-BENZ 229.51 / 229.52**
- **BMW LL-04 (N20)**

TYPICAL PROPERTIES

Kinematic Viscosity @ 100°C:	11.2	Viscosity Index:	170
Density @ 15.6°C:	0.8452	Sulphated Ash, %:	≤ 0.8

HEALTH & SAFETY

This product has been manufactured to the highest standards and when used for the purpose recommended is unlikely to present any significant health hazards. A Material Safety Data Sheet is available.

Indicated data are approximate values and are subject to the usual commercial fluctuations. All information correct at time of going to press to the best of our knowledge. This information may be subject to change without notification due to continual product research and development.
