CLASSIC 20W-50 MINI

Last Updated: 09.01.2025
Product Code: AE0066

CLASSIC 20W-50 MINI is a high quality, multigrade lubricant, formulated for use in vehicles where the engine and gearbox share the same oil, such as the original classic Mini.

APPLICATION

Primarily designed for use in older vehicles where the engine and gearbox share the same lubricant, such as the original classic Mini, and is also suitable for gearbox applications which specify an engine oil of this type.

BENEFITS

- Combines period 20W-50 engine oil formulation with API GL-4 gearbox technology.
- Formulated to include optimum ZDDP levels for use in period engines.
- Offers enhanced protection for gearbox components when compared to standard 20W-50 engine oils.
- Enhanced anti-oxidant performance to minimize oil consumption, especially in high mileage vehicles.
- Multigrade formulation makes it suitable for both summer and winter use.

PERFORMANCE PROFILE

Suitable for use where the following specifications are required;

API SF

API GL-4

TYPICAL PROPERTIES

Specific Gravity @ 15.6°C	0.894
Kinematic Viscosity @ 100°C (cSt)	16.5
Flash Point COC (°C)	>200
Pour Point (°C)	<-15

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
