

EXTREMECUT is a hand applied reaming, tapping, and drilling lubricant.

APPLICATION

Usually applied by the use of squeeze or dripping bottle.

BENEFITS

- Based on highly effective extreme pressure and lubricity additives to promote ease of cutting and prolong tool life.
- Effective on high alloy steels and can be used on all non-ferrous metals.
- Optimum consistency so that the lubricant clings to the metal surface, even on the highest speed applications.

TYPICAL PROPERTIES

Appearance	Brown viscous fluid
Specific Gravity @ 15°C	1.14 - 1.18
Viscosity @ 40°C	170 - 200 cSt

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
