FLEETSTAR PREMIUM 15W-40

Last Updated: 22.04.2026
Product Code: AE0010

FLEETSTAR PREMIUM 15W-40 is one of the latest generation of heavy-duty diesel engine oils designed to provide maximum protection under the most demanding conditions for engines which do not require a lows SAPS lubricant, and is a blend of highly refined solvent mineral oils, viscosity index improvers, pour point depressants and the latest technology in additive systems.

APPLICATION

Primarily designed to meet the demands of vehicles requiring oil to ACEA E7, API CI-4 and Volvo VDS 3 specifications. It also meets or exceeds the requirements for other Euro 3 and Euro 4 compliant heavy-duty diesel engines which are not fitted with emission control after-treatment systems, and do not require a low SAPS lubricant, and suitable for certain Euro 5 engines without particulate filters.

BENEFITS

- Ideal choice for mixed fleets.
- Heavy-duty long distance trunking and stop / start delivery vehicles are protected under the umbrella of one oil.
- Capable of achieving maximum oil drain periods, both in and out of warranty.
- Excellent detergent/dispersant package promotes engine cleanliness and effective soot dispersancy.
- API SL and ACEA A3 petrol specifications ensure true mixed fleet capability.
- Improved wear protection and lubricant stability.
