Flexy Shield Open Gear Lube Aerosol

Last Updated: 09.01.2025
Product Code: ARFLS500

Flexy Shield is formulated to be suitable for use on all exposed gears, wire ropes and moving parts and the anti-fling additives ensure it will not be thrown off during use. Its exceptional penetration and water resistant properties make it ideal for applications such as exposed heavy duty chains, fifth wheels on trucks, steel cables on overhead cranes and any situations where constant weather exposure is experienced.

PACK SIZE

500ml aerosol in box of 12

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
