Food Grade Chain Lube

Last Updated: 09.01.2025
Product Code: FGCL500

Food Grade Chain Lube is a non toxic viscous Category H1 NSF Registered Lubricant.

APPLICATION

Formulated using only FDA listed ingredients for use on all types of chains and conveyors in the food processing industry. Food Grade Chain Lube has excellent water displacement and anti-corrosion protection ensuring extended chain life.

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
