FOOD GRADE SILICONE

Last Updated: 09.01.2025
Product Code: FGSS500

Food Grade Silicone Spray is a clean non-toxic colourless, Category H1 NSF Registered Lubricant.

APPLICATION

Formulated using only FDA listed ingredients, with wide temperature stability. Its low surface tension gives good adhesion and durability and will resist oxidation and corrosion, designed to give light lubrication in the food industry leaving a water repellent film.

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
