FOOD SAFE LUBE

Last Updated: 09.01.2025
Product Code: ARFSL500

Food Safe Lube is a very high quality H1 lubricant spray formulated using only FDA listed ingredients.

APPLICATION

Ideal for use in and around food processing areas. It may be used on food processing equipment as a protective anti-rust film, as a release agent on gaskets or seals of tank closures and as a lubricant for machine parts and equipment in locations in which there is a potential exposure of the lubricated part to food.

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
