# MARINE TWO STROKE

Last Updated: 17.08.2026
Product Code: AE0449

MARINE TWO STROKE is a high performance, premium quality, outboard two stroke oil manufactured from a special blend of highly refined mineral oils and synthetic-based ashless additives. Designed to provide superior protection and extend engine life, and exceeds the requirements of the widely quoted National Marine Manufacturers Association (NMMA) TC-W3 specification.

## APPLICATION

Marine Two Stroke oil is designed for use in the majority of two-cycle, water-cooled outboard two stroke engines and is suitable for both high output engines and smaller cylinder models alike.
Compatible with both pre-mix and oil injection systems – please follow equipment manufacturers guidelines and recommendations regarding mixing ratios.

## BENEFITS

- Modern, very low smoke formulation with clean burning characteristics
- Formulated to be non-toxic to marine life
- Higher detergency reduces combustion chamber deposits to prevent power loss and pre-ignition
- Exceptional protection against spark plug foiling, piston scuffing and ring sticking
- Very high film strength for ultimate engine protection

## PERFORMANCE PROFILE

Suitable for use where the following specifications are required;
- NMMA TC-W3
- API TD

## TYPICAL PROPERTIES

Appearance| Blue
Kinematic Viscosity @ 100°C | 8.50
Specific Gravity @ 15.6°C| 0.877
Flash Point °C| >115

## HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
