MARINER 40

Last Updated: 09.01.2025
Product Code: AE0702

MARINER 40 is a high quality marine diesel engine oil, formulated primarily for high output, medium speed trunk piston diesel engines.

APPLICATION

Use as received as a medium speed trunk piston diesel engine lubricant for marine engines running on marine diesel, distillate or light residual fuel with a sulphur content not exceeding 1.5%.

BENEFITS

- High TBN value enhances neutralisation of combustion acids throughout the oil drain period
- Good anti-wear properties
- Protection against bearing corrosion
- Excellent protection against ‘bore polishing’
- Oxidation stability
- Superior dispersant and detergent characteristics

PERFORMANCE PROFILE

- API CF-4
- SAE 40

TYPICAL PROPERTIES

Density @ 15.6°C	0.894
Viscosity @ 100°C cSt	12.5-16.3
Flash Point	> 225°C
TBN mg KoH/g	14

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
