MILKING MACHINE OIL

Last Updated: 09.01.2025
Product Code: AT0068

MILKING MACHINE OIL is high quality lubricant manufactured from selected base stocks, with an excellent additive treatment package to give maximum performance and protection.

APPLICATION

Primarily for use in milking machine pumps but the versatile formulation offers enhanced performance as a general purpose lubricant where this viscosity is recommended.

BENEFITS

- Formulated to minimize corrosion of component parts.
- Excellent thermal stability.
- Offers enhanced anti-wear and oxidation control.
- Low foaming properties.

TYPICAL PROPERTIES

ISO Viscosity No	68
Density @ 15.6°C	0.884

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
