Multi Purpose Spray Plus Aerosol

Last Updated: 09.01.2025
Product Code: ARMPS500

MPS PLUS is a superior penetrating anti-corrosion lubricant, which cleans and protects all types of metals and damp proofs and lubricates electric motors, electronic equipment etc. Dries out wet ignition systems, stops squeaks, penetrates, lubricates and prevents corrosion.

Formulated and designed to be economical in use with the addition of PTFE and EP additives for long-lasting lubrication and excellent anti-wear capabilities.

Fitted with a 360° angle valve for ease of use.

PACK SIZE

500ml aerosol in box of 12

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
