SARCLEAN TFR FLUID

Last Updated: 09.01.2025
Product Code: IT0030

SARCLEAN TFR FLUID is a powerful cleaner designed to provide effective removal of road traffic film and grease deposits from all types of commercial vehicles, trucks and buses. Can also be used as an effective general hard surface cleaner for floors, walls etc.

APPLICATION

Formulated for use in power cleaners or as a cleaning medium at various dilution rates for cleaning equipment.

Use at the following dilution rates

2% – 4%	in pressure washer applications
5% – 7%	in hot water for manual / brush applications
7% – 10%	in hot water for greasy equipment

Caution: Do not allow product to dry on surfaces, and always rinse thoroughly with clean water after cleaning.

Care should be exercised when used around certain materials, such as aluminium components and non-factory paint finishes, as staining may occur – it is recommended to trial a small area before use to check compatibility.

BENEFITS

- Effective removal of traffic film, bird lime, dirt and grease deposits from vehicle paintwork.
- Recommended for industrial use on machinery and components, as well as floor, wall and tile cleaning.
- Suitable for use in power cleaners, pressure washers or by brush applications
- Phosphate free formulation

TYPICAL PROPERTIES

Colour	Water White To Pale Amber
pH of Aqueous Solutions	13.5 (2% aqueous solution)
Density@ 15.6°C	1.10

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
