SARGREASE BLACKJACK OG

Last Updated: 09.01.2025
Product Code: GRO910

SARGREASE BLACKJACK OG is a bitumen-based EP (extreme pressure) compound which combines highly effective lubrication and outstanding adhesive properties with excellent corrosion protection.

APPLICATION

Specially developed for the lubrication of all types and sizes of open gears, wire ropes, chains, flexible couplings etc. that are subjected to high loads in damp environments or open to adverse weather conditions.

Designed to provide economic application by brush or pump.

Please check compatibility before application and use in accordance with equipment manufacturers recommendations.

BENEFITS

- Easy to apply with outstanding adhesive properties on all types of metal surface
- Excellent corrosion protection protects components operating in wet conditions or open to the elements
- Highly effective EP and anti-wear performance

TYPICAL PROPERTIES

Appearance	Black, heavy, tacky liquid grease
Viscosity@100°C (IP71)	1100-1300 cSt
Flash Point °C	270
Pour Point °C	20
Operating temp. range	+5°C to +80°C

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
