SYNGEAR PLUS 75W-90

Last Updated: 09.01.2025
Product Code: AG0618

SYNGEAR PLUS 75W-90 is a full synthetic transmission oil formulated to provide enhanced levels of protection and fuel economy when compared to standard mineral oil based grades.

APPLICATION

Primarily for use in passenger car and light commercial transmissions, it is also suitable for heavy duty commercial vehicles gearboxes and axles where an API GL-4 or API GL-5 oil of this specification is required.

BENEFITS

- Special frictional properties assist in improving resistance to power loss
- Increased synchromesh compatibility promotes easier gearshift especially in colder conditions
- Enhances fuel economy
- Long drain capability
- High oxidation resistance for longer product life

PERFORMANCE PROFILE

- API GL-4 / GL-5

TYPICAL PROPERTIES

Density @ 15.6°C	0.860
Viscosity @ 100°C (cSt)	14.3

HEALTH & SAFETY

Please refer to the Safety Data Sheet, freely available, for product handling and disposal advice. Please note that the SDS includes handling, storage, health and disposal information which should be passed on to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

NOTE: Read and understand all precautions on container labels before using this product.
