

TURBOLUBE HD 5w30 is a semi-synthetic engine oil formulated for use in cars and light commercial vehicles to meet today's demanding requirements.

APPLICATION

Suitable for engines requiring a 5w30 grade semi synthetic engine oil, including older Ford and many Japanese models. Recommended for use especially in older vehicles where a 5w30 engine oil of this specification is required.

BENEFITS

- Provides easy starting and quick circulation in cold conditions
- Excellent anti-wear properties
- Promotes longer oil drain periods

PERFORMANCE PROFILE

Suitable for use where the following specifications are required;

- API SG / CF-4
- ACEA A3/B3, A3/B4

HEALTH & SAFETY

This product has been manufactured to the highest standards and when used for the purpose recommended is unlikely to present any significant health hazards. A Material Safety Data Sheet is available.

Indicated data are approximate values and are subject to the usual commercial fluctuations. All information correct at time of going to press to the best of our knowledge. This information may be subject to change without notification due to continual product research and development.
