

**SCREENWASH 50/50** is a ready for use formulation intended for all-weather use.

## APPLICATION

Use as received in vehicle windscreen washer systems. Designed to offer excellent results and be effective in cold conditions down to  $-7^{\circ}\text{C}$ .

## BENEFITS

- Effectively removes grease, dirt and road film deposits from windscreen
- Aids visibility during winter driving by clearing light ice and frost and helping to reduce the chance of re-freezing on the windscreen
- High-concentrate formulation makes it very effective in use
- Imparts anti-freezing properties in the washer system for continued use even in wintry conditions
- Will not damage paintwork when used as directed

## TYPICAL PROPERTIES

Colour: Pale blue  
Density: 0.973

## HEALTH & SAFETY

This product has been manufactured to the highest standards and when used for the purpose recommended is unlikely to present any significant health hazards. A Material Safety Data Sheet is available.
